## ABOUT ME

I'm a full stack engineer that specializes in solving complex puzzles in new and exciting ways. My positive attitude fosters a work environment that encourages teamwork and excellent communication.

## SKILLS

Javascript	React.js	HTML	CSS
Redux	Node	jQuery	Material UI
SQL	Databases	Express	Bootstrap

## EXPERIENCE

### Prime Digital Academy | Minneapolis, MN

*Software Development Student*

February 2020 - Present

- Solo Project: Adventure Book
  - Recently completed developing a solo full stack application which utilized multiple SQL junction tables & user authentication for security.
  - The Adventure Book allows users to create their own complex stories with multiple branching endings.
  - Technologies include React.JS & SQL, wrapped in Material UI.
- Public speaking practice & toastmasters are frequently performed in class to increase communication skills

### Genesis 10 | Richfield, MN

*Retail Support Team Lead at Best Buy Corporate*

September 2017 - February 2020

- Assisted in building the new In-Home Advisor (IHA) Support Team from the ground up.
- Managed and trained a team of three to support over 650 Best Buy IHAs.

- 
- Created & maintained knowledge articles to assist new & current associates.
  - Utilized a phone queueing system to provide timely responses and focus on attention to detail.

### **AAA Best Care Inc. | Roseville, MN**

#### *Personal Care Assistant*

Jan 2015 - June 2016

- Supervision of patients' health & safety.
- Responsible for behavior redirection & intervention.
- Assisted disabled clients in daily living & health-related tasks.
- Note: The gap in employment between 2013 to 2014 was due to maintaining my father's critical health condition.

### **United States Air Force | Tokyo, Japan**

#### *Emergency Medical Technician*

May 2010 - Dec 2012

- Maintained secret level security clearance.
- Assisted patients with product inquiries, ordering, and provided recommendations.
- Provided medical relief in Japan during the large scale earthquake & tsunami of 2011.
- Arranged an estimated 150 minor surgical procedures utilizing a sterile field with aseptic sterile technique for a zero percent infection rate.

## **EDUCATION**

### **Prime Digital Academy | Minneapolis, MN**

#### *Software Engineering Certificate*

July 2020

### **United States Air Force | Sheppard Air Force Base, TX**

#### *National Registry (EMT) Certificate*

October 2010

## **AWARDS**

- Certificate of Appreciation | President George W. Bush May 2020
- Certificate of Appreciation | President Barack Obama Oct 2012
- Air Force Achievement Medal | United States Air Force Oct 2012
- Humanitarian Service Medal | United States Air Force May 2011
